**Dates of creation,
revision and deletion:**

Custodial history

This is an artificially created fonds of heritage conservation grey literature, records from Parks Canada and other material that was housed in Carleton Immersive Media Studio (CIMS) after it was acquired by Herb Stovel ca. 2000. The provenance is unknown and the material has value to the study of heritage conservation.

Scope and content

The fonds consists of documents, grey literature, and records from various sources such as Parks Canada, Heritage Canada Foundation and ICOMOS on heritage conservation.
